1 Outstanding sixth plate dag from the Connecticut River tobacco growing area. Young gent sitting at table rolling cigars. Two piles of tobacco leaves & bunch of finished cigars in front of him. Excellent condition (some tiny specks on glass), a subject I haven't seen before. 8,500.

2 Recently discovered 1860's autographed carte de visite of Confederate Partisan Ranger John Singleton Mosby. Wearing civilian clothes, boldly signed in dark brown ink. Double gold line border, no backmark. Minor specks of soiling mentioned for accuracy. A spectacular rarity. 5,000.

3 Unique sixteenth plate dag General Lewis Cass, US Senator from Michigan, Dem Candidate for President 1848, Secretary of State under Buchanan. Exceptional rarity for one of the most difficult Presidential candidates to acquire. The only other dag of Cass I've ever seen on the market was a significantly scratched & tarnished full plate offered at $60,000. 12,000.

4 Previously unseen 3" curved brass snuffbox, hinged lid engraved with federal eagle, "MONROE DOCTRINE". Superb condition. 2,000.

5 Very rare 3½" snuffbox in molded dark brown hard rubber. Top & bottom of the box depict obverse & reverse of the CC Wright medal done for the Compromise of 1850. Portrait Henry Clay molded in relief within wreath. Reverse lists significant dates in his career - Senate, Speaker, Treaty of Ghent, Sec of State, etc., up to the Compromise. Outstanding condition 3,500.

6 Previously unknown sewing or notions box 3½ X 4¾ X 1. Standing portrait in formal dress, under glass on exterior of lid, not hidden inside as on the better known pincushion boxes. Border of fancy cutwork paper, remainder of sides in decorative paper over pasteboard. Label of S J North, New Britain CT, who was no doubt a dealer in notions, dry goods, etc. Near mint condition! 3,500.

7 Magnificent 26½" Great Lakes ceremonial ball headed war club circa 1860's-80's. Carved otter 4" long crawls along top. Dark contrasting section is fully file burned along one side. Thin incised grooves colored mainly in lime green with a bit of yellow/red. Wonderful condition. Provenance includes three top dealers in fine Indian artifacts. 9,000.

8 Rare 3" bronze medal signed Tiffany. Portrait "To Major Gen George H Thomas from the State of Tennessee". Reverse state Capitol " I Will Hold the Town Till We Starve - Joint Resolution Adopted Nov 2 1865". Choice XF. I was unaware of the existence of this piece until I purchased it a couple of weeks ago. 1,200.

9 Excessively rare ninth plate (2 X 2½) ruby ambrotype beardless Lincoln from the Joseph Baker lithograph of the Charles Alfred Barry portrait from life, done in Springfield, June 1860. Probably 100 times rarer than the oval ambro by George Clark which was copied from the well known Cooper Union portrait. The Clark ambro sells for over $10,000 in choice condition (most examples are flawed). The condition here is outstanding. 5,500.

Naval battle "First Built Line of Battle Ship in the Western World - Neutral Trade and Freedom of the Seas - Health and Success to Our Brave Tars - War Declared Against Britain June 18 1812 - Peace Signed at Ghent Dec 24 1814". Statistics for battleships & frigates. A little scattered minor browning, overall superb condition, brilliant color. 4,250.

12 Multicolor oil painting 18 X 28 in veneer frame 23 X 33. Titled at bottom in ½" lettering "US Government Post - Stocton California - June 26 1851". (Note misspelling of Stockton) Mountains in distance, wood stockade fort right foreground with US flag. Flowing river with train crossing bridge at center. Three Indians, a "mountain man" & another person in black coat & wide brim black hat are on embankment left center. The fifth man is probably a priest. Soldier sits on ground at lower left, & another man on horseback rides across bridge to lower right. Condition generally excellent - 3 small repaired punctures in the sky. A wonderful gold rush era piece. 7,750.

13 14" fully 3-D carved head of black man, brown skin & eyes, black wooly hair carved in spiral curls, yellow circular base with "TOBACCO" in red letters. Exceptional condition with only slight paint wear, mainly on the lettering. An important piece of sculptural folk art, circa 1880-1910. Authenticity unconditionally guaranteed. 4,750.

Soldiers of the third cavalry division. With profound gratitude toward the God of battles, by whose blessings our enemies have been humbled and our arms rendered triumphant. Your commanding general avails himself this, his first opportunity to express to you his admiration of the heroic manner in which you have passed through the series of battles which today resulted in the surrender of the enemy's entire army.

Within the past ten days and included in the above you have captured forty-six pieces of field artillery and thirty-seven battle flags.

A COMING PEACE!

A BLOODLESS VICTORY!

THE CRADLE OF TREASON ROCKED BY THE HEROIC UNION SOLDIERS.

Charleston Evacuated!!

This birth place of Treason and the foster mother of Traitors has been Evacuated and is now in possession of our victorious troops. It has always been a stench in the nostrals of the nation, and as it is now in our power it should be sold at auction to the Yankees, and so completely wrecked that one stone may not be left upon another, to mark the spot where once it stood. Its defenders failed to make their place their "last ditch," and the lion in the path of the gallant Sherman has retreated to his lair without uttering a growl at his advancing columns.

Let us rejoice and give thanks to the Most High, for our success is unparalleled. Victory after victory, in quick succession, crowns the efforts of our Army and Navy. Our march is onward! and a few well directed blows will crush the rebellion, bring us peace, a restored Union and lasting prosperity and happiness.
